

Mid Klamath Community Foodsheds Presents:

Chicken Tractor Workday Series

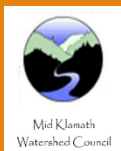

**A six part
series of
workdays to
construct a
chicken
tractor.**

First Session: March 11, 10 AM – 3 PM

A chicken tractor requires about 60 hours of labor from start to finish, including hours outside of these sessions. Come build your own or help and learn.

All sessions are free, materials fee for Chicken Tractor will be \$100- \$150. Please pre-register if you want to build a tractor, space is limited!
