Basket Material Collection/Weaving* - Thursdays meet KDNR, Sundays meet HC People's Center

Depending on “readiness” of materials and weather, we will either be in the field harvesting basket materials or weaving together under the direction of Cultural Practitioner, Verna Reese. Contact Verna Reese, 493-2526.

Herbarium Collection/Mounting* - Thursdays meet KDNR

Participate to learn *with us* the Ethnobotany of the Karuk People. Depending on weather, work plan may vary from mounting specimens indoors to collecting specimens in the field. Nature walks included. Contact Ben Saxon, bsaxon@karuk.us, or Megan Mucioki, mmucioki@berkeley.edu.

Gardens in Happy Camp* - Wednesday meet HC TANF

We will be tending the TANF garden, weather pending. Contact Ben Saxon, bsaxon@karuk.us.

Píkyav Lecture Series* - This month's lecture targets community youth, tribal employees and other interested parties interested in a talk about Karuk baskets at home and in museums: *Collecting, Collaborating, and Coming Home*. *Speaker:* Carolyn Smith, U.C. Berkeley (July 12 in Happy Camp); and the Effects of Fire Treatments on California Hazelnut for Karuk and Yurok Basketry. *Speakers:* Verna Reece, Karuk Tribe; Tony Marks-Block, Stanford University; and Frank K. Lake, USFS Pacific Southwest Research Station, Fire and Fuels Program (July 13 in Orleans). Contact Bari Talley btalley@karuk.us.

Intertribal Youth Exchange* - Tribal youth are encouraged to participate in this four-day camping trip to Fish Lake, which will also be attended by the Klamath Tribes Tribal Youth. For more information, contact Grant Gilkison, ggilkison@karuk.us.

Native Health Workshop* - This summer's workshop will be held in honor of our physical health, and understanding how when this is linked to eating healthy Native foods, it can lead to healthy minds and bodies. Youth are encouraged to bring their bicycles: we will have a bicycle clinic and help children learn how to fix their bikes, use safety precautions when riding, and learn some “rules of the road.” Native food refreshments will be provided from 10 am to 2 pm (July 8 in Orleans, KDNR). Contact Grant Gilkison, ggilkison@karuk.us.

* Denotes public participation is highly encouraged.
