New Hampshire
Bigornia Research Lab

WE ARE CONDUCTING A RESEARCH STUDY ABOUT DAIRY AND SEAFOOD CONSUMPTION IN ADULT NEW HAMPSHIRE RESIDENTS

Participate in virtual focus groups and survey sessions to discuss your **dairy** and **seafood** consumption and what affects these habits!

PARTICIPATION INVOLVES:

- 10-minute screening call
- A 45-60 minute interview administered survey (phone/online)
- Online focus group session for 60-90 minutes

TO PARTICIPATE, YOU MUST:

- Be 18+ years old
- Be able to speak English fluently
- Have access to an internet-enabled device (computer, smartphone, tablet)
- Not be on a diet that restricts seafood or dairy
- Not be pregnant or breastfeeding
- Reside in New Hampshire

People in the study will receive a gift card after completing either:
Survey & Focus Group (\$60) OR
Survey only (\$25)

Dairy and seafood do not need to be a regular part of your diet in order to participate!
