

LeadershipTM wilkes

Leadership Wilkes 2020 is a program sponsored by the Wilkes Chamber of Commerce to develop a group of informed, committed and qualified individuals capable of providing visionary and progressive leadership for Wilkes County.

The program is an in-depth study of management styles, personalities, and involved activities to illustrate positive leadership opportunities. Taking place over a four-month period, Leadership Wilkes 2020 participants have a chance to tour facilities, participate in informative seminars and are enlightened to the resources available to them in Wilkes.

Once participants have completed Leadership Wilkes 2020, they will be well informed and have a foundation for implementing their knowledge and skills to become a progressive citizen & leader.

THE LEADERSHIP PROGRAM:

Area leaders in business, government, education, health care, industry, and tourism enlighten participants on the resources available to Wilkes County citizens. During each session the group will look at topics ranging from non-profits to community infrastructure. The program culminates with a graduation ceremony for participants, their guests, and alumni from previous classes.

Leadership Wilkes Testimonial:

“When I started the Leadership Wilkes program, I had only been in Wilkes County for about 3 weeks and NC for about 4 weeks. I had just moved to NC and took a job working in Wilkes County. The Leadership Wilkes program helped me quickly learn about the County, its history and all it has to offer. Not only that, but I was able to meet people and make connections that I never would have been able to otherwise while working on improving my leadership skills at the same time. Going through this program has opened doors of other opportunities for me – including serving on the board for the United Way of Wilkes County. I am thankful for the Leadership Wilkes Program and recommend it to everyone – no matter how long you’ve been in Wilkes County.”
