

# STEM RESOURCES & OPPORTUNITIES INFORMATION SESSION

Tue, Sept 12th, 2023

10:00 - 11:00 am

OR

Wed, Oct 25th, 2023

11:00 - 12:00 pm

Join us for one of these valuable information sessions on STEM resources & opportunities available through OregonASK for STEM Hubs, ESDs, school districts and community-based organizations providing STEM education & programming.

[Sign up online to attend one of these sessions.](#)

## WE WILL COVER

### Equitable Strategies

Innovative and gender-inclusive tools, strategies, content, reports and professional development of the [Million Girls Moonshot](#).

### STEM Data Tools

High-quality STEM data tools and surveys available through OregonASK from PEAR ([Partnerships in Education and Resilience](#)).

### Our Work

The work [OregonASK](#) is doing across the state to help afterschool, summer and other expanded-learning programs provide quality STEM and career connected learning activities for the youth they serve.
