

Programs spark interest so students have a greater chance to realize their full potential, attend school more often, and are more likely to graduate college or career ready.

## This is **Afterschool**

Inspiring student dreams.

Afterschool helps students learn by doing, build skills, connect with mentors and prepare for the jobs of tomorrow.

Afterschool and summer programs have inspired me to....

Name: \_\_\_\_\_

Program: \_\_\_\_\_

City: \_\_\_\_\_

- I attend an afterschool program regularly
- I participate in summer programs
- I wish I could attend an afterschool/summer program
- I wish my friends could join the program too

Afterschool  
programs help  
build safer  
and stronger  
communities,  
keeping youth  
safe and helping  
working families.

This is

**Afterschool**

Helping families and communities thrive.

Afterschool programs are locally-driven solutions that help children reach their full potential, help families balance work with home, and help employers hire the workforce they need.

Afterschool and summer learning programs matter to me because...

Name: \_\_\_\_\_

\_\_\_\_\_

Email: \_\_\_\_\_

- My child/grandchild attends afterschool
- I am an afterschool program staff member
- I am a concerned citizen
