

Monthly BOOK CLUB at Sulfur Books

Thursday
APRIL 25
6-7:30pm

During our April book club, we will discuss
Braiding Sweetgrass
by Robin Wall Kimmerer.

In *Braiding Sweetgrass*, Kimmerer brings these lenses of knowledge together to show that the awakening of a wider ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world. For only when we can hear the languages of other beings are we capable of understanding the generosity of the earth, and learning to give our own gifts in return.
