

There are many challenges in farming today: increasing government regulations, falling milk and commodity prices, uncertain labor supply, just to mention a few. But, the most daunting daily challenge may be **keeping everyone on the farm safe!**

To address farm family safety, Cornell Cooperative Extension of Ontario County is partnering with the New York Center for Agriculture Health and Medicine (NYCAMH) as well as others to put together an **Ag Safety Day** for the whole family.

Progressive Publication has been sponsoring Ag Safety Days for over 20 years, nationally; and, it is time to bring the event to Ontario County to make a local impact.

There will be a variety of demonstrations on family and farm safety including:

- PTO entanglement demonstration by NYCAMH
- Grain Bin Rescue Tube demonstration by Benton Fire Department
- Bike Safety, Bicycle Rodeo, and **Kids Safe ID** by Ontario County Sheriff
- Fire Extinguisher demonstration and Fire Safety
- ATV and UTV Safety Instructor presentation
- First Aid and CPR Demonstrations, by the Ontario County Public Health Office

The day will include lots of “give-away” items in a “Progressive Day” gift bag, **free lunch**, and **t-shirt to all who pre-register by July 16, 2018.**
