

Open Your Heart and Home

Open your heart and experience firsthand the joy that comes from hosting a Rotary Youth Exchange Student.

Embrace and learn from one another. Open your mind. No matter our age, we are all students of culture and life, which is why becoming a host family is so rewarding.

Hosting an exchange student reaffirms the faith that people from all over the world are good. Adults and children learn that we are more alike than we are different.

Whether you have children or not you will have a rewarding and fulfilling experience. Become a part of the Rotary Youth Exchange program and open your hearts and home to a bright, enthusiastic, and eager to learn international student.
