

## NON-PROFIT ORGANIZATIONS

### **ArtSpoke...rediscovering the wheel.**

ARTSPOKE is a community based kids program that cultivates the discovery and mindful expression of the power of your story. It is a 5 day adventure geared for kids age 5 to 11 (of all abilities). As we move through this journey with our crew, we are encouraged to be mindful, build relationships, and encounter diverse vocations as we focus on one project each day. Foundational to ArtSpoke is illuminating the artistry within each of us and the discovery of the power of our story.

### **Daylight Center and School**

Our aim is to educate a new generation of leaders to serve and transform their communities and inspire sustainable livelihood.

We believe children are the key to breaking long-standing generational poverty. Daylight is a school that brings together children from nomadic and rural backgrounds to help integrate these deeply divided communities

<http://daylightcenter.org>

### **Heifer Project**

We believe that the collective power of economic development, food security and nutrition, and environmental sustainability can empower small-scale farmers on the path to living incomes. When those components are multiplied by the positive impacts of gender equality and social capital, communities achieve greater resilience and a sustainable reduction in hunger and poverty.

<https://www.heifer.org>

### **Northside Healing Space**

Northside Healing Space offers a variety of opportunities to meet individual needs: personal healing sessions, support groups, and gatherings where participants find community, receive information on trauma, and learn strategies for resiliency. Victims of sexual exploitation find a welcoming drop-in space.
