## Studio Recital Photo Session Wednesday, June 10, 2026

Thomas Amarin, of Amarin Photography, will be at Cecil Dancer's main studio on Wednesday, June 10 to take professional photographs of dancers in their recital costume. All dancers, Creative Dance classes and up, are welcome to participate in this opportunity. *Note: For those dancers in the studio recitals who rented/rented to buy costumes, costumes will be available for you to use for pictures.*

All families interested in having pictures taken will need to schedule an appointment time via the following online reservation link, <https://signup.com/go/qqWvfyS>. Time slots are available from 3:00pm to 7:00pm.

Please arrive a few minutes early to fill out a short information form and take care of the \$25.00 "sitting fee" that will be required at the time of the photo shoot. Please be aware that each individual costume will have a separate \$25 sitting fee... for example if you want photos of your dancer in three different costumes then three sitting fees will be charged.

Each costumed final image is professionally edited by the photographer and may be viewed and purchased online directly from [AmarinPhotography.com](http://AmarinPhotography.com). All orders are completed online and mailed directly to your home or preferred shipping address.

### **Sitting fee refund requirements:**

To receive a refund of the sitting fee, a minimum image or package order of **\$35.00 (including shipping fee) must be purchased**. The required image/package total to qualify for the refund must be \$25.00 or more and then shipping will be added.

To receive sitting fee refunds for multiple costumes, the image/package purchase amount must be equal to or more than the amount of the sitting fees. For example, if you have three sitting fees totaling \$75.00, then the minimum purchase amount for images/packages must be \$75.00.

Once an order is received, the sitting fee(s) refund will be issued back through PayPal or credit card. Sitting fee refunds will expire at the end of the current year.
