<p><b>INSTRUCTOR:</b> Abby Pinkerton is a graduate of DeSales University with a major in dance and a minor in business. She previously trained at Cecil Dancer Center for 15 years performing lead roles in Cecil Dance Theater's The Sleeping Beauty as Aurora, The Nutcracker as the Sugar Plum Fairy, and The Little Mermaid as Ariel. Throughout her time at DeSales, Abby has had the privilege of performing in numerous works created by her peers, along with choreographing her very own fully produced piece, "Petrichor", premiering at the 2021 Emerging Choreographers Concert. Abby also had the honor of receiving an award for "Best Choreography" for her dance film "Trapped Within" in the 2021 DeSales 48 hour Screen Dance Challenge. She has also worked under the choreographic direction of DeSales faculty Trinette Singleton, Julia Mayo, and Angela Sigley Grossman along with other talented and acclaimed guest artists. Most recently Abby had the opportunity to perform in an excerpt of Paul Taylor's Cloven Kingdom, restaged by former Taylor company member Annmaria Mazzini, in her university's dance ensemble concert this past spring. Abby also enjoyed performing in original works by Matthew Neenan and Caili Quan for this year's dance ensemble concert. Besides having an active performance background, Abby has choreographed for several high school musical productions and has taught dance to a variety of ages at private dance studios.</p>		
<p><b>DESCRIPTION:</b> Our five-day summer dance intensives feature daily classes in a variety of styles with Abby Pinkerton and guest teachers. Dancers receive tips to help them improve technique, performance quality and artistry along with gaining personalized attention, a renewed joy for movement, and motivation to push themselves to work outside of their comfort zone. The week will end with an in-studio performance open to friends and family to feature work learned. Don't miss this inspiring week!</p>
