What was the most memorable feature of this program?

What were you hoping to find In this program that was missing?

What was the most important take-away from this program for you?

What do you think Grace Church as a community should take away from this program? Should there be a follow-up, and if so, what form(s) might it take? (Please use a separate sheet if needed.)

Would you like to be involved in determining such follow-up, and/or participating in any action that results?

Whatever your answer to the previous question, do you want to be informed of any further discussions or events related to this topic?

B. Modes of Delivery: Please check as many statements as you agree with.

___ I prefer in-person events when the pandemic subsides and we can resume meeting under our usual (pre-pandemic) conditions.

___ I would favor adding a Zoom option for distance learning even after the pandemic subsides,

___ I prefer being able to participate from home and am less likely to attend in-person events in the future.

___ I would register by Zoom never or only if absolutely necessary.

___ I support the idea of hybrid programming (in-person and Zoom simultaneously).

___ I do not favor hybrid programming.

___ The method of program delivery) depends on the nature of the particular program.

___ Other:

Please use the remaining space for any elaboration of your preferences you want us to consider. Again, use an additional sheet if necessary.
