Update from Glory Church Renk Diocese

Greetings from Glory Parish Renk Diocese

I would like to update you on how we are doing at Glory parish; our church members have returned back from Khartoum and other parts of Sudan, some return from Juba, Uganda, Kenya and inside South Sudan in (IDPs Camps). In every Sunday the Church members who pray at Glory parish are 150 -200 people.

The current challenges is the renovation of the Church, last year we used Sunday school classroom for prayer because we very few in attendance but now the church is too small to accommodate the congregations. Now the rainy season is coming and the Church needs renovated and the annual support for the Priest.

Below are the follow images and pictures of the church members and church buildings:

Figure 6 this is the image of it after renovation

Last year we received the amount \$ 9,436; it was used for the follow:

1. Pastor salaries
2. Relief
3. Church maintenance

The Glory Parish is operation very well because our church members have return to their homes.

We are pleased to have you as our companionship in Christ's work.

Thanks
