Researcher explains vaping dangers amid new report that e-cig smoke is linked to lung cancer in mice
Yahoo Finance Video October 11, 2019

Concerns over e-cigarettes are mounting. The CDC says the total cases of vaping-related illnesses rose to nearly 1,300 incidents, and at least 26 confirmed deaths. Yahoo Finance's Zack Guzman & Julia La Roche, along with CapitalistBook.com author Nathan Latka discuss with NYU School of Medicine's Moon-Shong Tang.

Illinois lawmakers are set to consider banning most flavored vaping products: 'People are dying'

Deerfield High School Library

While retail marijuana is intended for people over 21, its legalization will impact our teens. Dr. Aaron Weiner will discuss the changing landscape, the dangers of vaping THC, and how to protect our teens and their developing minds & bodies.

Dr. Weiner is a licensed clinical psychologist and Director of Addiction Services at Linden Oaks Behavioral Health in Naperville.
