The California Educator Reporting System

*How to Leverage CAASPP
Interim Assessment Data for
Learning*

EVENT DESCRIPTION

This workshop will model how educators can navigate the California Educator Reporting System (CERS) to retrieve and interpret assessment data from CAASPP Interim Assessment administrations. We will examine how targets and claims translate to standards and look closely at student performance at the aggregate, individual, and even item level. Insights regarding test design and key/distractor analyses will be shared.

WHEN

February 10, 2022, 3:00 PM – 4:30 PM

LOCATION

Online. A Zoom link will be emailed to registered participants prior to the meeting.
