

# COVID 19 Creative Challenge

**Name:** Annette Schultz, Watrous

**Name of Entry:** Pebbles & Rocks

**Category:** Project inspired by conference class

**Story:** Pebbles and Rocks started from my sample piece from the class Taught by Ana Buzzalino in 2021. Rocks were formed in the background fabric as well as adding free form rocks with a stabilizer and batting. I added many french knots as well as seed beads to become the small grains of sand that I would see with the rocks on the beach at the lake. I did find it a very relaxing piece to work on.
