

COVID 19 Creative Challenge

Name: ... Heather Innes, Regina

Name of Entry: Arabian Nights

Category: ...Quilted Item

Story: Covid-19 and subsequent lockdowns changed our world. Sadness, loneliness and boredom was overwhelming.

Every day became "a good day to sew" Arabian Nights is from a pattern I purchased in 2015. Limiting myself to one using my stash and my color wheel I began...resulting in a stunning medallion quilt with applique.

I machine quilted it on my domestic machine.
