

In Memory of Bill

It is with great sadness that we share the passing of Bill (Volunteer #574), who passed away unexpectedly last week at the age of 82.

Bill joined our volunteer team in March 2013 and spent more than 13 years serving the people of our communities. During that time, he generously donated 19,170 hours of service, touching countless lives through his dedication, kindness, and unwavering commitment to helping others.

Anyone who knew Bill knew his sense of humor. He was always ready with a joke and loved to tease people in a way that brought smiles and laughter to those around him. Just as importantly, he could take the teasing right back, making every conversation enjoyable and every interaction memorable. His good-natured personality made him a friend to many and a joy to work with.

Bill cared deeply about the people he served. He was thoughtful and compassionate toward his passengers and rarely complained, no matter the circumstances. In fact, the only time he would speak up was when he was concerned about a passenger's wellbeing. His willingness to advocate for others reflected the heart of gold that so many came to know and admire.

Bill's impact on our volunteer program cannot be measured solely by the hours he gave, but by the lives he touched, the laughter he shared, and the kindness he showed every day. He will be greatly missed by staff, fellow volunteers, passengers, and all who had the privilege of knowing him.

Our thoughts are with Bill's family, friends, and everyone whose life was made brighter by knowing him. If you have any stories or thoughts that you'd like to share regarding Bill, don't hesitate to reach out to the NET Team.
