

# One Pharmacy, One Community!

## Mobile Vaccine Clinics

Northern Pharmacy & Medical Equipment is seeking partnerships with municipalities, businesses, and community-based organizations to establish vaccine clinics throughout the community.

Our clinics are adaptable to demand, serving anywhere from 20 to 200 individuals within a 25 mile radius to our pharmacy.

Vaccines available for mobile clinics:

- Influenza
- Covid-19
- Shingrix
- Pneumonia
- Tdap
- RSV

Let's work together to break barriers, schedule your mobile clinic today! To request a vaccination clinic at your business location or in your community, please complete the form provided.
