### 5-7 years classes

Child must have turned 5 or still be 7 by the Friday of the week that the class is in.

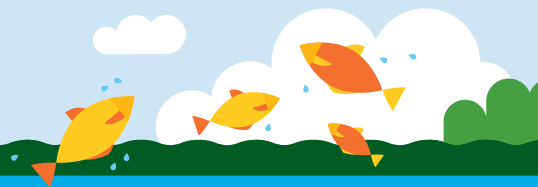

### 8-12 years classes

Child must turn 8 or still be 12 by December 31, 2020.

### 11-14 years classes

Child must have turned 11 or still be 14 by the Friday of the week that the class is in.

# Fish Behaviour Policy

# F

= Follow instructions

# I

= Include everyone

# S

= Show respect

# H

= Help each other

It is our goal for your child and other children attending Place des Arts' programs to have the best experience possible in a warm and welcoming environment. To promote consistent expectations around behaviour among students, we have established the "FISH" policy. The fish represents the image used in the previous Place des Arts logo. We recommend reviewing the FISH policy with your child(ren) prior to camp.

Students exemplifying outstanding FISH behaviour may be awarded FISH tickets, which will be entered into a draw for weekly prizes (for ages 5 – 7 and 8 – 12 only).

If any child has difficulty meeting our behaviour expectations, we will execute the following four-step plan:

- 1. Verbal warning:** Our first response will be a verbal intervention to help the child understand the impact their behaviour is having on others.
- 2. Time out:** If the behaviour continues, the child will be removed from the program for a time out. The child's parent/guardian will be notified of the incident and will be asked to review the behaviour policy with their child.
- 3. Parent pick up:** If the behaviour still continues, the parent/guardian will be contacted and asked to pick their child immediately with the child missing the rest of the day.
- 4. Student dismissal:** A student may be dismissed if their behaviour precludes safe and effective participation in our programs. Dismissal will take effect only after consultation between the parent/guardian, child, program staff and Place des Arts' Executive Director. No refunds will be given.

# Information for Families

## Arrival

- Please arrive 10 minutes early on the first day.
- Sign-in for students in 5-7 and 8-12 years classes occurs each day in the Atrium on the main floor of Place des Arts. The Leonore Peyton Salon (the large room off the Atrium) is the gathering space before and after each class for 5-12-year-old classes. Designated volunteers will escort your child to and from each class.

## Dismissal

- Sign-out for students in 5-7 and 8-12 years classes occurs each day between 3:35-3:45pm in the Atrium. At the end of the day, your child must not leave Place des Arts until a parent or guardian has signed them out; this is to ensure the safety of all children.
- Any parent or guardian who needs to take their child out of a class early or who arrives late must report to the Place des Arts registration desk where a staff person will assist you.

## What to Wear and Bring

- Students should wear weather-appropriate clothing (i.e. a hat) and bring a water bottle and sunscreen as they may go outside on Place des Arts property during lunch time. We recommend dressing for mess and movement and wearing closed-toed shoes to camps.
- For a full-day of camp, provide your child with a lunch and snack. For a half-day of camp, provide your child with a snack. **Place des Arts is a nut-free zone.** As there are children with severe nut allergies in the program, please do not include any nuts or nut products in your child's food.
- On Friday, if your child(ren) is/are registered in visual arts classes, please bring a box labeled with your child's name to place completed artwork in after their class(es).

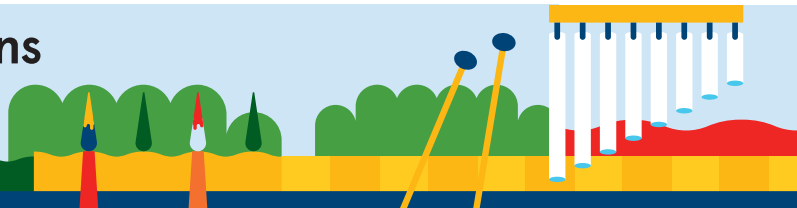

## Health and Safety

- Place des Arts does not provide supervision for children who have a class gap in their art camp

schedule. (i.e. a 9:00am – 9:50am class and then no class until 12:45pm). Parents and/or guardians are responsible for supervising their children during any gap in their schedule. Place des Arts does not assume responsibility for the well-being and safety of minors who are left unattended.

- Prior to the start of your child(ren)'s camp, please advise Place des Arts staff of any health concerns, including food allergies or special needs, that your child may have. This helps to ensure a successful experience.
- Parents or guardians are responsible for administering any medications required by the student. Although our staff members have First Aid training, they cannot administer medication, except for an EpiPen in the case of an emergency.
- Remind your child(ren) that staff and volunteers are available for help, to answer questions and to supervise snack and lunch breaks.

# Frequently Asked Questions

Yes, we do have waitlists for full classes. *Please be advised that Place des Arts will give priority to wait-listed clients who are not already registered in a class during the same week and time, and who are already registered in the same week with a schedule gap.*

## Can someone else pick up my child?

An adult other than a parent/guardian may pick up a child; however, at drop-off please provide the *Summer Fun!* staff with the name of the person who will be picking up your child and their relationship to him or her. This information allows us to ensure that your child stays safe at all times.

## Can my older child walk home alone?

Should you wish your child to walk home alone, written permission is required and must be submitted to the registration desk, otherwise your child will not be released.

## What's up with the photographer?

Place des Arts maintains photographic and video archives of classes, workshops, exhibitions and events. Occasionally, we use these images for promotional print materials, advertisements and on the Place des Arts website and social media channels. Photos/videos may also be submitted to media outlets for promotional purposes. Photos/videos will not be lent or sold to any outside party. *You will have an opportunity to provide or decline consent when you sign-in your child(ren) for camp.*

## What if my child loses something?

Place des Arts is not responsible for lost or stolen articles. Therefore, students are advised not to bring anything of value to camp, including jewelry, money, expensive toys or electronics (unless specified in course description). For other lost items, please check the wooden lost and found bin underneath the stairs by the east entrance to the atrium.

## Can I watch my child's class?

Generally, families are not permitted in the classrooms. However, some performing arts teachers may invite friends and family to view the last portion of a Friday class. Parents/guardians will be informed via email by the middle of the week if your child's class(es) will be holding an open-house viewing.

## Why is Place des Arts so strict on ages for Summer Fun! classes?

Our *Summer Fun!* classes are programmed based on the developmental abilities of each age group. By adhering to set age groups, we ensure a quality experience for all students in the class.

# Parking at Place des Arts • Connect with Us

## Parking at Place des Arts

Place des Arts recognizes that parking is limited, which may cause frustration for our clients. To create a parking culture that is less stressful and, most importantly, ensures the safety of all our clients, teachers and staff, we request your cooperation and adherence to City of Coquitlam parking by-laws.

### Drive-through drop-off zone

City of Coquitlam by-laws prohibit parking and double parking in the drive-through drop-off zone by the main entrance to Place des Arts on Brunette Avenue. You are welcome to use the drive-through for quick drop-offs and pick-ups; however, please be advised of the following City regulations:

- The driver must remain in the vehicle in the drive-through drop-off zone;
- There is no parking or stopping for extended periods in the drive-through drop-off zone. It is to

be used for quick drop-offs or pick-ups only;

- Double parking (i.e. side by side) is strictly prohibited.

### East parking lot

City of Coquitlam by-laws prohibit parking on the side of the entrance to the east parking lot on top of the yellow painted “no parking” cross hatching.

### Violators will be ticketed

City of Coquitlam by-law officers regularly monitor the drive-through drop-off zone and the east parking lot, and violators will be ticketed.

### Where to park at Place des Arts

Free on-site parking is available on the east and west sides of the building, as well as underground via the east parking lot entrance. At peak times or on event days, it may be difficult to find a parking spot; therefore, please leave ample time prior to your class or event start time in case on-site parking is limited. There is ample additional free

parking very nearby in the following locations:

- At Mackin Park on King Edward Street

# Registration Tips

## Get organized BEFORE Registration Day!

To help your registration go smoothly, we recommend following these steps:

**Step 1:** Review the guide. See how to read the grids on page 9 to create your schedule.

**Step 2:** Pick your classes. Always have a second and third choice as classes fill up quickly!

Here are some suggestions to stay organized:

- Use our Summer Fun! Registration Worksheet on [placedesarts.ca](http://placedesarts.ca) to plan your schedule *or*
- Highlight your class choices in the grids in this guide *or*
- Create an online [Save for Later List](#) on our registration site, ActiveNet:
  - a. Login to your ActiveNet account and click on “Registration”
  - b. Search for the class you want to register for **using the activity code** (double-check that codes are correct!)

c. Once you’ve found your class, click “Add to Save for Later List.” Your Save for Later List will keep all your camp classes ready to add to your cart on registration day!

**Note:** The Save for Later List is an organizational tool. Adding an activity to your Save for Later List does not guarantee you a spot. On Registration Day, *once you’ve added a class to your cart, it will **NOT** be removed from your Save for Later List until you’ve finished the checkout process.*

## On Registration Day

**Tip 1:** To avoid errors while registering, do not click on the “back” button on your browser.

**Tip 2:** Use the activity codes to search for classes.

**Tip 3:** If a class is full, an alert will appear during the check-out process stating “you will be placed on the WAITING LIST.” We recommend registering for your second or third choice to avoid gaps in your schedule.

## ⚠ Check your Family Schedule

After your registration is complete, review your child(ren)’s schedule(s) either on your emailed receipt or by viewing your Family Schedule on ActiveNet:

1. Log into your account on ActiveNet. Under the Account Activity section, select “Family Member’s schedule”
2. Select information to customize what you want to appear in your schedule
3. Click “View Schedule” to see it! You can do monthly or weekly view.

Come visit or call to have our  
Registration Staff walk you through  
preparing for Registration Day!

Place des Arts does not provide supervision outside of class time for students registered in our 11-14 year programs, however before and after camp care is available for registration. Students must remain on Place des Arts property during lunch and within the designated boundaries, which will be identified on the first day of class by a staff member.
