Events • Performances • Exhibitions

Let's enjoy the arts together again!

Words cannot express how much we look forward to welcoming more of you back to the centre to enjoy our full complement of events, performances and exhibition openings. We have something for everyone! Music lovers can once again enjoy our **Classic Concert** series which kicks off in January, with *A Celebration of Robbie Burns*. Tickets are on sale now.

In February our popular, **Family Days** series returns. Bring the family to tour the current exhibition and then engage with a fun art activity which will be sure to spark creativity. Also in February, our unique adult-only **pARTy@PdA** series will inspire you to meet with friends to enjoy a fun art project. We're also bringing back in-person **exhibition openings** so we can celebrate the work and accomplishments of our

emerging artists and community groups. See more details about all our upcoming events and performances in the pages of this guide.

We are enjoying this transition to a re-connected world and there is no better time to engage (or re-engage) with the arts at Place des Arts!

2022 Summer Theatre Troupe

Free All-Ages Shows • TD Community Plaza • Town Centre Park Coquitlam

Our Summer Theatre Troupe is a by-audition, performance-based theatre company. Every summer, the cast works with a professional theatre director, stage manager and designers to produce a play and perform it for free to the public at Coquitlam's Town Centre Park Plaza. The play runs for about a week in late July/early August.

Families love the performances, which are adapted for all ages providing children with an easy-to-understand introduction to the magic of live theatre.

Check our website in April for our auditions call and keep an eye out on our social media for our show announcement.

From Beethoven to Brahms: The Clarinet Trio Transformed

Saturday, May 14 • 7:00 pm • Krystal Morrison and Noel McRobbie

Beethoven transformed the piano trio when he replaced the usual violin with a clarinet. Almost a century later Brahms would come out of retirement to take this ensemble to new depths of romanticism. Together, these works contrast joy and despair and highlight the inevitability of change.

We acknowledge that very young children can be disruptive to other patrons. We do not recommend bringing children under six years to our concerts. Children under the age of 14 must be accompanied by an adult.

Tickets

Students* & Seniors \$16 • Adults \$21 | Musical Rainbow Concert \$10

**Student pricing is available for all Place des Arts students, regardless of age, or for students holding a valid student card from other institutions.*
