

Swing Time Tennis

This class is a great introduction to tennis! We bring all equipment required! Using smaller nets, larger and lighter tennis balls, and smaller racquets, your child will begin learning the forehand and backhand groundstroke, volleys, footwork, and balance skills, along with strengthening their hand/eye coordination. The mission of this class is to have FUN, get kids active, and learn the basics of the game from a certified teaching pro and USTA Organizational Member.

We will offer a weekly 30-minute session every Thursday afternoon for 4 & 5 year-olds (2:45-3:15 p.m.) and K – 2nd grade (3:20-3:50) for a monthly fee of \$50. Please call 561-510-5798 or email jttsouthtc@hotmail.com with any questions. You can return the registration form with payment to the office. We look forward to seeing you on the courts!
