

MAPLE GROVE

NEW SAFETY PROTOCOLS

Your safety is our top priority! For our upcoming sale we will follow current COVID-19 local health and government guidelines. We are adjusting procedures to hold our sale in a way that is safe, spacious and sanitized. Thank you for working with us so we can keep our community well cared for and safe.

THINGS WILL LOOK A BIT DIFFERENT.

So much about our sale—the amazing people, the fabulous deals, the huge selection—will be the same. But due to our current times, things will look a bit different. Here's what to expect:

BEFORE THE SALE

Pre-Scheduled Shopping Times: We will limit the number of guests in the store to allow for physical distancing per Governor Walz's Stay Safe MN order. To manage the flow of guests, we ask that you reserve a shopping ticket at <https://bit.ly/shopJBFFMapleGrove> so we know when to expect you. Please note there may still be a slight waiting time at the door. We appreciate your patience in helping us provide a safe environment with room for distancing.

Are You Well? We ask anyone who does not feel well or shows any of the [symptoms published by the CDC](#) to please not attend the sale.

Grown-Up Shoppers: We love kiddos, but for their safety, we ask parents to please consider not bringing children to the sale if possible. We will not turn away children but strongly suggest they do not attend in cases where other arrangements can be made. If they do attend, children over 5 years old are required to wear a mask.

Shopping Bags: We ask that you plan to bring your own shopping bags to hold items while you shop the sale. If you would like to purchase bags, we will be selling new IKEA bags for \$1.50 each (while supplies last). Sanitized bags for borrowing will be available on a first-come, first-served basis (as we clean them in between shoppers).

AT THE SALE

Entrance: Hand sanitizer, disposable masks and disposable gloves will be available.

Masks: Per Governor Walz's Emergency Executive Order 20-81, all shoppers are required to wear a mask. If you do not have one, we will have some available.

Distancing: We will ask that shoppers who are not from the same family stay at least 6 feet from one another.

Checkout Line: We will be utilizing a virtual checkout system to eliminate standing in line. You'll add yourself to the line when you are ready (via your phone or with our hostess) and we will text you when it's your turn to check out.

At the Register: There will be a sneeze guard between you and the cashier for added protection. Hand sanitizer will also be provided.

WHAT WE WILL BE DOING

Behind the scenes, we will be taking the following safety measures and practices.

- All staff and team members will be required to wear a mask and perform regular hand washing/hand sanitizing.
- We will perform regular cleaning and disinfection of high-touch surfaces.
- The store layout will be modified to allow for distancing.
