

The Talent Behind the Mission

Specialized Recruiting for Supportive Housing and Human Services

Supportive housing and human services organizations call Mitchell Martin when difficult roles stay open, internal recruiting teams need more reach or programs require immediate coverage. We work as an extension of your recruiting team to bring specialized expertise and broader reach to fill difficult roles.

How We Support Your Recruiting Team

- Experienced, long-tenured recruiters specializing in healthcare, behavioral health and human services
- AI-assisted sourcing and specialized talent pools, guided by experienced recruiters
- Targeted recruiting strategies based on the role, location and hiring challenge
- Joint Commission-certified staffing practices that support quality, safety and compliance
- Additional recruiting capacity for urgent and difficult-to-fill positions
- An employee-owned team invested in long-term client and candidate outcomes
