
HOMELESS PERSONS' MEMORIAL DAY

Please join us to honor the lives of individuals who passed away this year in New York City while unstably housed or due to stressors of homelessness. As we honor their lives, we recommit ourselves to the fight to end homelessness.

The program will feature a meal, live music, reflections and a reading of the names of the people we lost this past year. As each name is read, a bell will toll, and a candle will be lit. The Memorial is free and open to the public.
