

Volunteer with GROW this upcoming summer!

Launching June 2026, **GROW: Gardening for Resilience, Opportunity, & Wisdom** will give WALC learners a space to grow culturally meaningful foods that connect them to home, while also integrating English Language Learning.

Along the way, you'll teach, observe, and learn from the rich cultural practices and traditions behind each garden.

TUESDAYS/THURSDAYS

JUNE - SEPTEMBER

1:00 PM - 3:00 PM @ St. Andrews
Evangelical Lutheran Church

1100 E Murdock Ave,
Oshkosh, WI 54901

*** Volunteer hours can vary on
availability!*

Not interested in volunteering?
WALC is accepting donations for
any gardening materials!
