

# POWER OF ATTORNEY FOR HEALTHCARE (POA-HC) GROUP WORKSHOP

## EVENT HIGHLIGHTS:

This **free** session offers a chance to discuss your healthcare preferences and ensure your wishes are known. We'll explore selecting a trusted healthcare agent and understanding the legal document known as the Power of Attorney for Healthcare (POA-HC). This includes considering your medical wishes, personal values, and making decisions about who will speak for you if you cannot. We focus only on healthcare decisions, not finances or estate planning.
