REINDEER ROUNDUP

Four of Santa's young reindeer are loose at Winnebago County

Community Park and he needs your help to find them.

We're sending out the search party (that's you) to find one reindeer every week this month. We'll post information we've received from

Santa's elves about each reindeer to help you find them.

When you find a lost reindeer, take a selfie with it and send your photo to the Parks Department. We'll choose a lucky winner or two from the photos we receive and reward them with a special gift.
