# Winnebago County Public Health Vending Machines

## What are Public Health Vending Machines?

The Public Health Vending machines are a free community resource. Prevention kits such as gun locks, Narcan, Fentanyl testing strips, DETERRA drug deactivation, menstrual products, basic needs kits, and more are individually stocked in discreet brown boxes.

## Who will use Public Health Vending Machines?

This resource is meant to give people access to items that will help create a stronger and healthier community for all. Everyone is encouraged to use these machines, including:

- Individuals who use substances
- Friends and Family of those who use substances
- Community members that want to be empowered to intervene in an emergency to prevent unnecessary deaths
- Community members that need access to basic needs items such as safe drug disposal bags or menstrual products
