

Loads of Love

Laundry Supply Drive

July 1 - August 31, 2026

Clean clothes are more than just a basic need—they give kids the confidence to show up to school ready to learn. For families facing housing insecurity, the cost of laundromats and supplies is a heavy burden. Let's help lighten the load!

What We Need

- Laundry detergent (pods or liquid)
- Dryer sheets and fabric softeners
- Stain removers
- Laundromat gift cards
- Sturdy laundry bags or baskets

Where Your Donation Goes

All donated items will be distributed directly to students and their families in the Oshkosh School District.

Every jug, pod, and sheet makes a difference, so thank you!
