

Sensory Friendly COVID-19 Vaccine Clinic

**Monday,
November 21
3:30 - 7:00 pm**

**Building for Kids
Children's Museum
100 W College Ave
Appleton, WI**

**Individuals 6
months and older
and their families**

Thedacare, the Building for Kids Children's Museum, Wisconsin Early Autism Project, and the Autism Society of Greater Wisconsin are partnering to offer a sensory friendly vaccine clinic with the goal of providing a positive, supportive, and calm vaccine experience. Participants can expect a lower sensory environment, sensory fidgets, distraction strategies, and other individualized accommodations as needed. Pizza will be available for dinner and participants are welcome to play in the museum after receiving their vaccines.

The clinic will offer Moderna vaccines and Pfizer boosters to eligible community members. There is no cost for participants.

Participating families will receive a \$100 gift certificate to the Building for Kids Children's Museum.
