

SAVE THE DATE

Let us help you build your workforce & talent pipeline

When: Friday, January 8, 2021; 9:00am – 2:00pm

What: You are invited to participate in a **VIRTUAL CAREER EXPO**

How: Host a virtual booth hosted on the **Elevate Futures** platform. Elevate Futures is an interactive workforce development platform that links recruitment, skill building, and career navigation into one comprehensive system

Who: Students from eight secondary and two post-secondary area schools will attend to learn about industries, explore future careers, and get to know potential employers.

Register: [Click here](#) to register your business or organization and to create your **FREE** profile. For questions about setting up your profile contact Claudia Aurand at caurand@mplschamber.com

Business/Organization Benefits:

- Gain exposure to more than 5000 future employees or interns
- Increase company visibility and awareness
- Connect directly with educators for future engagement and volunteer opportunities

Virtual Booths offer these features:

- Publish a company profile that includes a video, company description and contact information so students can learn more about you
- Upload a personal message to visitors of your booth
- Upload multiple documents for your visitors to download and read
- Link to more than 1000 existing career cards to showcase positions within your company
