

AQUILA ELEMENTARY IMAGINATION FAIR

A creative and innovative fair for and by students!

THURSDAY, JAN 26, 2023

5:00-6:30 PM

AQUILA GYM

All Aquila students are invited!

Share your imagination and creativity by creating an exhibit or display, putting on a demonstration or performance, showcasing a talent or interest...the sky is the limit!

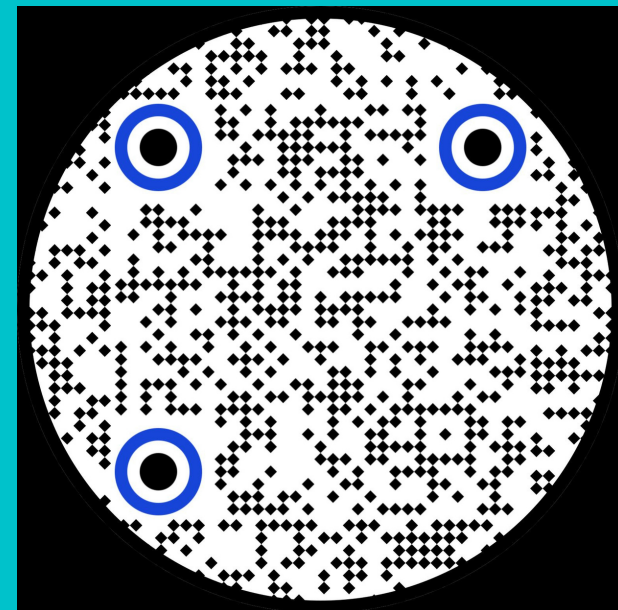

What can I do for a project?

All brilliance & imaginations are welcome! Past projects have included family traditions, art, music, science projects, student inventions, and more. Maybe you have another idea to share (Great! Use your imagination!). Whatever it is, let's see it!

How it works:

Submit your project idea by Friday, January 20th.

Sign up online by scanning the QR code below:

1

Work on your project!

Plan to display your project on one half of a 6-foot banquet table.

2

Bring your project to the Fair Jan 26th!

Doors open at **4:30** for Fair registrants.

Families volunteering to set up the Imagination Fair may bring projects early.

Doors open at **5:00** for all attendees.

3

Take your project home!

Families must take projects home at the end of the Fair, as there is no school on Friday, January 27th and the gym will be needed by Kids Place.

Participants will also receive a special certificate/ribbon for this achievement!

4

Be proud of your brilliance & imagination!

How do I make it?
What interests me about it?
How does it work?
I always wondered about...
What does it do?

Aquila Imagination Fair is sponsored by
Aquila Elementary PTO ~ info@aquilapto.com
