Please consider making an investment by donating to the **Dollars for Scholars Scholarship Fund** to help a St. Louis Park graduating senior afford post-secondary education. The St. Louis Park Chapter of Dollars for Scholars is an all-volunteer organization that provides financial support to local students. Our newsletter explains more about our community program to help local students with college expenses. You can also check out our website at [www.stlouispark.dollarsforscholars.org](http://www.stlouispark.dollarsforscholars.org) for more current information.

A Dollars for Scholars scholarship supports the St. Louis Park Children First initiative as it underscores community support for our children. Investing in the education of young people not only has an impact on their lives, but on the community as a whole. A small contribution from each household in your neighborhood will add up to a significant scholarship! Awards will be announced in May 2019. It is easy to make a donation.
