

Since 1946 the Model Assembly Session has grown from a simple program featuring only a Model Legislature and a Youth Governor to an incredibly realistic and complex simulation of Minnesota state government. Approximately 1,600 students in grades 8-12 take part in the Model Assembly Session every January.

“Youth in Government is one of those things in life that cannot be easily described. I cannot fathom or imagine any way to sum YIG up but it is FANTASTIC!”
