

8TH GRADE PROJECTS EXPO - May 30, 7:00 p.m.

Who: 8th grade students

What: Public Speaking Expo (ANY speaking project students have developed over their Middle School career)

When: May 30, 7:00 PM

Where: SLP Middle School

Why: Show off the fabulous work of our students

How: Students must fill out and return a signed permission form (on both sides). (see links) On the permission form there is an area for students to check off which of these coaching sessions and field trips they will be attending. They must also attach a draft of their speech in order to attend the field trip Monday, April 29th.

Part of the coaching includes two field trips to REM5 a virtual reality lab. This virtual reality experience will allow students to upload their speeches and make a video of themselves giving their speech to a variety of audiences. It will also analyze their public speaking for eye contact, gestures, speed, etc.

☐ I will attend the REM5 virtual reality field trip on April 29th from 12:40 until 2:45. Your student can be picked up at 3:00 here at the Middle School or they may take the 3:00 bus home.

☐ I will attend the REM5 virtual reality field trip on May 16th from 12:40 until 2:45. Your student can be picked up at 3:00 here at the Middle School or they may take the 3:00 bus home.
