

St. Louis Park Public Schools

Achieving success, one student at a time!

We have an exciting opportunity for students to explore a college campus on **Friday, May 10th!** Students will get to choose one of three college campuses to tour. Due to limited capacity at each site, students will rank their choices. Students who turn in their permission slips by the deadline (Friday, April 26th at 2:15 PM) will have an equal chance of getting their first choice. Note: Although students may not get their first choice, all students will get to tour a campus.

The college campus options are Minneapolis Community & Technical College (MCTC), Anoka Technical College, and St. Cloud State University. Students who attend the MCTC or Anoka Technical College tours will also get an opportunity to hear from people in a variety of careers during career presentations (taking place at the middle school on the same day).

Cost: The cost of this field trip is covered by Site Council thanks to the money raised by families at the beginning of the year!

All students must return their signed permission slips to their MATH teacher **by Friday, April 26th.**

Math Teachers:
