

High School Safety Pledge

It is essential that each of us commit to safety throughout the Covid pandemic. All students are asked to make a pledge to follow these safety guidelines for everyone's safety.

I will stay at home if I am sick.

Please monitor your temperature daily and stay home if you are sick or having any symptoms of COVID-19 including persistent cough, shortness of breath, or a fever of 100.4 degrees or higher. Do not return to school until you are well.

I will avoid getting too close to others.

Maintain social distance from other people. Students should keep their belongings separated. Sharing books pencils and devices is discouraged. If sharing supplies is necessary, disinfect them between uses.

I will wear a face mask to protect myself and others.

Face coverings can help cut down on the spread of COVID-19 by people that have no or mild symptoms and that might be spreading the virus unknowingly. Continue to keep space between yourself and others.

I will wash my hands regularly , use hand sanitizers, and help sanitize surfaces with provided supplies in classrooms.

Wash your hands often with soap and water for at least 20 seconds especially after blowing your nose, coughing or sneezing. If soap and water are not available, use hand sanitizer.
