St. Louis Park High School

Login Information for SLPHS Students
Rev. 9/19

HS Computer Lab Login

- Login to Chrome devices with your SLP Schools Google Apps UserName and Password (see below)
- *Save all your work in Google Drive* – Log out of all programs when done to ensure privacy; put cursor in lower right corner of computer screen and click on "sign out"

Google Apps Student Login

- http://www.apps.slpschools.org

- UserName: **LastName_FirstName@apps.slpschools.org**
    - Note – if a student has a hyphenated last name, use only the first of the two last names, but if there is a space, push the last names together
    - For example, "Blake Smith-Jones" is only *smith_blake*, but "Blake Smith Jones" is *smithjones_blake*
- Password: Student ID# plus initials in FirstLast order
    - For example: 123456bs
- Problems? Contact Library Media Center staff

PowerSchool Student Login

- https://slpschools.powerschool.com

- UserName: **LastName_FirstName**
- Password: Student ID# plus initials (123456ab)
- Problems? Contact Library Media Center staff

Schoology Student Login

- https://slpschools.schoology.com

- Tip – login to SLP Google Apps first; then pull up Schoology on another tab – you will automatically log in!
- Same login as for Google Apps; you will see a Google Apps login screen
    - LastName_FirstName@apps.slpschools.org
    - Password: Student ID# plus initials (123456ab)
- Problems? Contact Library Media Center staff

"BYOD/Bring Your Own Device" Login to SLPHS WiFi for Staff/Students
- In your Settings, go to "WiFi" and look for "SLPHS – BYOD" network; only one device at a time on this network
    - Login using Google Apps UserName & Password – see above

Printing in Google Chrome
- After clicking "Print," choose "See More" in *Destination* drop down menu and then choose correct printer
