

# **Docking Clinic**

Every Monday !!!

Come take part in a 3-hour clinic on some tips and tricks on entering and exiting a dock.

Topics to include: docking single handed, how to use dock lines to help control you boat.

Whether you have already completed your ASA 103/104 class or want to see if the ASA 103/104 class is the next step in your sailing adventure, this clinic will leave you with some good-to-know tips and experiences.
