## THE POWER OF THE FORUM

Founded in 1998, Texas General Counsel Forum brings together more than 650 general counsel and senior managing counsel from across the state. The Forum is a boutique organization of in-house leaders who share legal best-practices in a local, networking community. Our goal is to build relationships and gain knowledge through strategic programming and networking hosted in our chapter cities: Austin-San Antonio, Dallas-Fort Worth, and Houston. Our members are leaders in their industries who understand the power of collaboration. The Forum provides the diverse sources necessary for our members to excel at in-house innovation.
