

Consilio is a global leader in eDiscovery, document review, risk management, and legal consulting services. We support multinational law departments and their outside counsel to respond to legal matters, reduce legal spend, manage litigation, minimize risks and operate more efficiently.

Serving as a trusted advisor to hundreds of general counsel across companies of all sizes and industries, we leverage our best practices, benchmarking data, and department assessments to customize processes and solutions that overcome our clients’ unique challenges. Our team consists of JDs, MBAs, project managers, former legal operations professionals, business process experts and technologists helping our clients accelerate the operational performance of their law departments.
