Foley looks beyond the law to focus on the constantly evolving demands facing our clients and their industries. With over 1,100 lawyers in 24 offices across the United States, Mexico, Europe, and Asia, Foley approaches client service by first understanding our clients' priorities, objectives, and challenges.

We work hard to understand our clients' issues and forge long-term relationships with them to help achieve successful outcomes and solve their legal issues through practical business advice and cutting-edge legal insight. Our clients view us as trusted business advisors because we understand that great legal service is only valuable if it is relevant, practical and beneficial to their businesses.
