

LEADERSHIP

OKALOOSA  2017-2018

The Key To Our Success

Summary

Leadership Okaloosa is an esteemed leadership training and development program with a 27 year history of being a vital part of Okaloosa County's growth and development of its leaders. This 9 month experience is designed to enhance the participant's leadership skills and provide community awareness. Hosted from September to May, participants receive classroom training by certified instructors and are given opportunities to interact with various key community leaders throughout the process. Tours of key areas such as Destin, Crestview, Niceville, Valparaiso, Fort Walton Beach, Eglin Air Force Base, Hurlburt Field and Legislative Days in Tallahassee provide participants with a better understanding of the community. Additionally, each participant takes part in a group project to benefit the community while focusing on project management, time management and team building skills. Another important aspect of Leadership Okaloosa is the networking relationships forged that lead to long lasting personal and professional relationships. Leadership Okaloosa is hosted by the Northwest Florida State College Costa Leadership Institute; with the support of the Crestview Area Chamber of Commerce, Destin Area Chamber of Commerce, Greater Fort Walton Beach Chamber of Commerce, and Niceville Valparaiso Chamber of Commerce.

Benefits to the Participant

- Learn leadership training and development
- Network with others in the community
- Become equipped and motivated to assume leadership roles in the community
- Interact with community leaders
