

Fair Trade Sale Profits to FEDICE Ecuador

Each time we gather for Regional Assembly, we hope to support outreach beyond ourselves.

May 20-21 for our Salem Regional Assembly we are sponsoring a Fair Trade Sale for those attending in person with goods from One Fair World store in Salem. Neva Clausen has curated this sale for us for many years and brings a wide variety of goods for us to do our shopping.

A portion of each sale will be given to FEDICE Ecuador, our global mission partners. Executive Director of FEDICE, Blanca Puma, will be “with us” by video on Saturday of Regional Assembly.

Neva reminds us that purchasing goods from the sale with cash or check will maximize the portion of profit that goes to FEDICE directly, as card processing fees come out of the profit.
