The Disciples' Oregon and Southwest Idaho region has an ecumenical partnership with the Methodist camping ministry to provide church camp to children who have completed grades 1-5 at Suttle Lake Methodist Camp. Disciples minister, Sara Staton, serves as the dean and coordinates both resident college aged staff as well as Disciples volunteers at this camp.

Elementary Camp at Suttle Lake combines traditional camp activities with meaningful experiences in Christian community. The lake, tie dye, gaga ball, archery, hammocks, hiking trails, and more are ready to be enjoyed with new and old friends. Caring counselors will help provide a safe, supportive environment where campers can try new things, explore the natural world and deepen their connection with God.

Together we'll worship under the trees, by the lake, and around the campfire. Our camp theme will help us recognize that we are "Linked by Love." As a community of faith we'll explore scripture and the natural world along with spiritual practices that connect us to God. Light, water, earth, seasons, animals, humans, and even a day of rest will invite campers to listen for God, still speaking to them today. Music, art, games, and conversations will enrich our exploration.

Through these experiences campers don't just have fun, but they also learn the kinds of skills and values that will carry them forward through life. These life skills include practicing compassion, compromise, planning, team-work, recognizing God in everyday experiences, and more.

Cost for camp is \$588. A \$50 deposit is due at time of registration.

Register by May 5th to receive a \$25 Early Bird Discount.

Camp scholarships are available through many local congregations.

If you are needing scholarship, please let Sara know so we can work to make camp possible for every child!
