A bit about Peace Pals...

Peace Pals is a non-profit organization with the goal of spreading the word of peace to all children of all countries at a young age. We utilize the method of art to convey various messages of peace and integrate discussions of this concept into classrooms and organizations around the world.

Our organization lives in the spirit of the words “May Peace Prevail On Earth.” We accept and welcome people to join us from all countries, religions, and languages. We offer our organization as a place of unity and acceptance.

Step 2: Create discussions with your students and children to develop their work.

The artwork should be drawn and painted to express your life as a person who is *Living Peace* daily in your life and what *Living Peace* means to you. *Living Peace* is a way of life in which we respect and love each other even though we are different. The artwork must include the Universal Message of Peace **“May Peace Prevail On Earth”**

Questions to inspire youth

What do you do to make the world more peaceful?

When you think of *Living Peace*, what does it mean to you?

How do you help other people to live in peace?

What does family and friendship mean to you?

When you meet someone who is sad or angry, what do you do to help them?

If young people need help understanding more about the theme, **“Living Peace”** and what *Living Peace* represents, we invite the adult community members to visit [Living Peace International](#) and learn about this very important global project. Adults are asked to explain in ways the young person will understand.

Step 3: Specifications of the Artwork

You must ensure that the children's artwork is made to our specifications. They can use any medium that they like

Size: Horizontal or Vertical design

5" inches x 7" inches

All art must be hand drawn, sketched or painted on paper or cardboard. You can upload your artwork or send by postal mail when it is finished.

***To avoid any incident, we *highly* recommend scanning the artwork and digitally uploading it.
