Success Story

Akeem

“

I came to the PA CareerLink® Philadelphia for help with employment. They helped me with interview skills, talking to employers, and knowing what not to say.

”

Access Point

Akeem was introduced to the PA CareerLink® through the City of Philadelphia Community Life Improvement Program (CLIP). The CLIP program helps Philadelphians make the City a nicer place to live with the goal of securing employment, life-sustaining wages, and benefits with the City of Philadelphia.

Triumph

Through the CLIP program, Akeem became a full-time Sanitation Worker for the City of Philadelphia. Akeem expressed: "I wanted this job because of the great benefits and the job security."

Outcome

Akeem started his full-time position with the City of Philadelphia Sanitation Department in March, 2022. Akeem expressed "I would recommend PA CareerLink® services to anyone looking for work!"

Success Story

Jada

“

The PA CareerLink® staff helped me achieve many new skills. Networking, budgeting and exploring a variety of unique career paths.

”

Access Point

Jada was introduced to the PA CareerLink® through the City of Philadelphia Community Life Improvement Program (CLIP). The CLIP program helps Philadelphians make the City a nicer place to live with the goal of securing employment, life sustaining wages, and benefits with the City of Philadelphia.

Triumph

Jada moved from a small town to Philadelphia and had little to no resources. PA CareerLink® opened the door for her to new career opportunities. "I wanted my position because I saw how CLIP changed more than just the outside look of the city but changed lives as well, including mine."

Outcome

Jada started her full-time position with the City of Philadelphia CLIP program in March, 2022. Jada expressed "I would most definitely recommend and use PA CareerLink® Philadelphia again. Overall, I was able to aspire to and achieve a career that I enjoy with people I appreciate dearly."
