

Dear Ride & Revel! In-Kind Sponsors,

In response to COVID-19, we've made the difficult decision to cancel Ride & Revel! 2020. While the primary reason for cancelling is COVID's significant impact on our sponsors' business, planning, and preparation, many of our riders and volunteers are part of the statistically vulnerable age group of 60 and older, and we're simply not willing to risk their health. We will miss the fun, the camaraderie, promoting cycling and downtown Greeley, and (quite honestly) the crucial operations funding which the event provides for 60+ Ride. *We hope you'll plan to join us for Ride & Revel! 2021 on Saturday, June 19, 2021!*
